

Through this cutting edge program, Susan has access to meals, wellness classes and check-ups, educational seminars, housekeeping, in-home medical care, social services, personal care, social and cultural programs, exercise classes and numerous recreational activities. These critical services enhance Susan's quality of life and enable her to maintain her independence while aging safely and with dignity in her own home.

***Samost Jewish Family & Children's Service  
thanks you for your generous support  
that enables us to touch so many people's lives.***

Jane + Kevin -  
Thanks so much  
for your support -  
we so appreciate  
it. Hope all is well  
with you AND your  
family. See you soon -  
Michelle
