VA Homecare Programs

Each program has specific requirements, please contact the listed numbers for more details.

Personal Care Program:

Must be registered at a VA clinic and be seen by a VA physician 2 times a year. Must inform physician that you are in need of personal care in the home. Physician will make a request to the VA home care coordinator.

Outpatient Respite Program:

Must be seen at home by a VAMC Home Care RN to be considered for this program. Contact: Sue Hackett 215-823-4200

Aide and Attendant Benefit:

For the Veteran and his spouse if they meet the requirements.

Contact: Ted Aurig
856-374-5801
