

## *Why Should I Work with an SR Alliance?*

### The Strength of Our Team

We provide experts in financial, medical and non-medical home care, legal, accounting and housing-related services. One advantage of this *SR Alliance* is the availability of interdisciplinary thinking. Whatever decisions you face, we believe in providing the right expert to help assess the full implications - providing the right information, resources and options to fix the problem.

When you are referred to an *SR Alliance* member, you can begin a new relationship with peace of mind. You can count on consistent dedication to achieving your goals.

### Solving Senior Problems

*SR Alliance* members are committed to finding ways to make sure your problems get solved. Many have been told how to solve a problem and paid for advice and counsel, only to find the problem still exists, remaining unsolved.

Our goals and practices, working as an *SR Alliance*, are to ensure the solution is correct and lasting for you and your family. That is our pledge to you.

Fulfillment of our mission is accomplished by identifying professionals who together, in the *SR Alliance* or through referrals, are able to deliver a wide variety of services to seniors, adult children of seniors and others caring for seniors.
