**Raise Awareness. Help the American Red Cross.
Support Seniors!**

Right at Home is selling t-shirts that call attention to the COVID-19 crisis and why doing inconvenient things now, like social distancing, is important. It's... **"Because Someone I love is a Senior"**

For each shirt sold through May 31, 2020, Right at Home will donate \$5 to the American Red Cross COVID-19 response. We are committed to helping the Red Cross maintain its blood bank supplies and supporting its disaster relief program so they can serve those in need.
